# Application for Survey

APPLICATION NO. 17

To William Bradburn County Surveyor of Harris  
 County, Texas, or to District Surveyor  
 of Land District:

By virtue of Section 8 of an Act approved April 15, 1905, I hereby apply for a survey of the following described unsurveyed land appropriated to the Public Free School Fund under Chapter 11, Act February 23, 1900, to-wit:

Situated in Harris County, Texas, about 25 miles  
N. 52° W. from the County site. Said tract is bounded as follows:

On the North by survey in name of A. Hilleguist ;  
 On the South by survey in name of W. E. Howth ;  
 On the East by survey in name of J. T. Stansbery, and  
 On the West by section No. 2 in name of H. T. & B. R. R. Co. so as to cover all vacant  
 land in the space and infringe on no valid survey.

I solemnly swear that I desire said land surveyed with the intention of buying it, and that I am not acting in collusion with, or attempting to acquire said land for another person or corporation.

B. H. Barron Applicant.

(N. B. — Write Name and P. O. address distinctly.)

P. O. Houston, Harris county, Texas.

Subscribed and sworn to before me, this 7th day of July 1906.

(SEAL MUST NOT BE OMITTED)

L. C. Christian, Notary  
Public in & for Harris County  
Texas

I, W. E. Bradburn County Surveyor of Harris Co.  
 County, Texas, or Surveyor for

Land District, hereby certify that the above and foregoing application No. 17 was filed for record on the 7  
 day of July 1906, at 4 o'clock P. M., and recorded in Vol. 6 page 66  
 in my office Harris County, Texas.

See Sketch filed with this.

Hon. John J. Terrell, Comr. G.L. Office,  
Austin, Tex. Dear Sir :

In order to find the relative position of each survey affecting the locations in names of W.A. Schuenmann and R.H. Barrow, the papers pertaining to which I herewith inclose, I have run the following connecting lines, to wit:

Beginning at the S.E. corner of the survey in the name of W.E. Howth, an Iron Rail heretofore set by the County Surveyor ;

Thence West with joint line of said Howth and Brewster surveys, passing sundry corners of subdivisions of said surveys, in all 1936 vrs. to an old stake in prairie for S.W. corner of said Howth, and the S.E. corner of survey in the name of J.W. Moody. The bearing tree called for could not now be found. There are only a few scattering trees standing about in this prairie.

Thence North, at 255 vs enter thin timber, and found an old line for several hundred vs through it, at 885½ vs cross Railroad, in all 1980 vs to a point in pra. for joint corner of said Howth and Moody surveys a little East of a large post set heretofore in a survey by me, and West of a stake set for the N.E. corner of said Howth survey ;

Thence West, at 256 vs pass the joint corner of sections Nos. 1 & 2 in name of H.T. & B.R.R. Co., in all 2095 vs to the S.W. corner of said section No. 1 and a corner of said Moody survey ;

Thence North 1804 vs to another joint corner of said section and Moody survey ;

Thence West 388 vs to another corner of said Moody survey ;

Thence North 950 vs to another corner of same ;

Thence West 498 vs to a point in the line of said Moody survey ;

Thence North 182 vs to an old Iron Rail set in the corner of three fences, for S.W. corner of Dora Petrick, although said Petrick calls to reach south to said line of Moody survey.

Thence East, passing south corners of Zube, Aug. Froelich and C. Froelich, in all 1869½ vs to the S.E. corner of C. Froelich survey, in the West line of H. Raaz survey ; From the joint corner of Aug. and C. Froelich surveys it is North 2733 vs to the joint corner of M. and J. Bay surveys on Cypress bayou.

Thence South 313 vs to a corner of said H. Raaz survey ;

Thence East 365 vs to a point in the East line of said survey ;

Thence North, at 2532 vs pass an Iron stake for the N.W. corner of Duckworth survey 580 vs west of crossing of bayou on north line of said survey, in all 2670 vs to N.E. corner of said Raaz survey on the bank of said bayou, an Iron stake.

By this connection <sup>it appears</sup> that the Raaz, Duckworth and Hillegeist surveys are much further East of M. Bay and A. Froelich surveys than originally represented to be. See sk. in upper right hand corner, showing original position.

The calls in fieldnotes of the Moody survey for lines and corners of Raaz survey were doubtless made upon the assumption that Raaz survey was much further West than it is held now to lie. And it would badly disarrange said Moody as to configuration, and conflict with section No. 1, to hold such calls effective. I have therefore held the calls of said Moody survey for courses and distances as more reliable and correct, and following these calls the land covered by the survey for Schuenmann is left vacant and subject to sale to him.

Beginning again at S.E. corner of the Howth survey ;

Thence North, at 1751½ vs an Old Iron Pipe 3 ins. in dia. about 4 ft high, (from which a prairie Pin-oak 14 ins. marked - bears N. 53 W. 13.8 vs, another 14 ins. marked - bears N. 69 W. 15 vs, another 12 ins. marked - bears S. - E. about 20 vs. And from which also, the S.W. corner of the Swenson preemption brs East 208 vs. and South 164½ vs.) bears East 217 vs. in all 1930 vs to a stake set for the N.E. corner of said Howth survey on the North side of a small branch in prairie running East, because I am advised that the old corner was on the north side of said branch, although I could not find it.

Thence West, crossing said branch, 126 vs and set a peg ;

Thence North, at 167 vs cross si branch, in all 2301 vs to point and set peg ;

Thence East 165 vs to pt. and set a peg ;

Thence S. 62.05 E. 381½ vs to the S.E. corner of the survey in the name of A. Hillegeist in the West line of the survey in the name of Bundick, an Old Iron Pipe 3 ins. in dia. about 4 ft. high, from which another of same description brs. West 165 vs. and from which an Old Iron stake set for N.E. corner of said Hillegeist survey, brs North 578 vs, and West 7 vs.

Thence South 357½ vs to an Old Iron Rail set in a graded Road bearing East, for the S.W. corner of said Bundick and the N.W. corner of survey in name of Ricketts. These corners were recognized by owner of part of Bundick survey as the corners of surveys as I give them.

Beginning again at S.E. corner of Howth survey ;

Thence South 265 vs to the N.W. corner of survey in the name of Hamlin, a rock in the corner of three fences ;

Thence East, at 1119 vs pass a large corner fence post, in all 1141 vs to the S.W. corner of survey in name of Stowe, from which an old Three-forked Pin-oak, marked 3 brs. S. 71½ E. 8 vs, and a branch brs. East. 50 vs.

Set on the said fence post. Thence North 683 vs to another large corner fence post ;

Thence East at 83 vs cross said br. at 820 marked a point on a gate in the fence on North line of said Stowe survey, in all 1519 vs to the N.E. corner of the said fence ;

Thence South 276 vs to another corner of a fence and a Rock set ;

Began at point marked on gate ;

Thence N. 5½ W. at 253 vs enter timber and passing West of a tree hacked on East side, and passing several trees marked showing line for about 950 vs to be about 3 vs East of line run, at 1100 vs cross graded Road, no trees marked found beyond said road, at 1600. vs enter open prairie, at 2154 vs cross a fence on S. line of survey in name of Ricketts, in all 3050 vs set stake in another graded road.

Beginning at Old Iron Rail at S.W. corner of Bundick survey in said road ;

Thence East, passing a little north of two Iron corner stakes, at 1215 vs intersect line run N. 5½ W. 226 vs from stake set in said road, in all 1585½ vs to a point in West line of the labor survey in name of A. Jones ;

Thence South 11 vs to the S.W. corner of said survey ;

Thence East 1028 vs to the S.E. corner of same on bank of Cypress bayou.

Corners of the labor called for are recognized by owner of a farm on it, and are beyond a doubt correct.

From these connections it plainly appears that all surveys on North fork of Cypress bayou shown on sketch herewith inclosed, from the M. Bay survey down to the A. Jones labor are much further East, with reference to the surveys on the South fork than they have heretofore appeared to be, and that those from Raaz survey down are much further South also. The error in the locality is clearly tracable to Stamm in his work of Nov. 18-55, as to position of intervening Duckworth survey, and the results of such error fall to the configuration of the Stansbury and Bolen surveys in particular.

It seems from the record that the original Stansbury survey was made to extend North from the Hamblin survey only 1862.6 vs, and that while in such form the Swenson and Mayfield preemptions were made extending from the Ricketts survey South to North line of said Stansbury survey: and that when said preemptions were covered by enlarging said Stansbury only the Northern portion of said Stansbury as patented, was actually surveyed, the southern portion having already been. So that while the Southern portion of said Stansbury survey as patented, has been correctly made in the field in connection with surveys on South fork of Cypress, and marked on the ground, and the Northern portion of said survey as patented, has been correctly made in the field in connection with surveys on North fork and marked on the ground, it is clear that no correct connection between the Original Stansbury survey at the south and the northern Addition to it was made by the surveyor who framed the fieldnotes as patented. Therefore I have held that the said Stansbury survey is bound by the work actually done in the field in constructing it, and the marks made and corners set on the ground by the surveyor, although such marks do not stand in the exact relation to each other given in the patent. When so held said Stansbury fieldnotes would read as follows, to wit: Beginning at N.W. cor. of Hamblin; Thence North, at 265 vs pass S.E. cor. Howth, in all 2016½ vs to pt in East line of same; Thence East 217 vs to Iron pipe witnessed as above; Thence North 2300½ vs to Iron pipe set in South line of Hillegeist; Thence East 165 vs to Iron pipe in West line of Bundick at S.E. corner sd Hillegeist survey; Thence South, at 357½ vs pass S.W. corner of said Bundick, an Iron Rail in road, in all 1466½ vs to S.W. corner sd Ricketts sur.; Thence East 1676 vs to S.E. corner sd Ricketts survey; Thence S. 5½ E. - say to the Road; Thence S. - W. . . vs to point in road; Thence S. 5½ E. 1100 vs to pt in N. line of Stowe, etc. etc. etc. to bng.

From all of which it appears that the survey herewith inclosed in name of R.H. Barrow covering the vacant land east of section No. 2 in name of H.T. & B.R.R. Co. is clear of any conflict with said Stansbury survey.

If the position I have taken with reference to surveys around said section No. 2 shall be approved by your department I will correct the fieldnotes of said section to conform thereto at once upon advice to that effect from you.

Respectfully,

*R. D. Allen*  
*Dpty. Co. Surveyor - Harris Co. Tex.*

Respectfully,

*J. G. Robinson*  
J. G. Robinson, Comm'r.

to conclude thereby at once upon advice to that effect from you.

If the position I have taken with reference to surveys around said section No. 8 of any conflict with said Standard survey.

Now covering the vacant land east of section No. 8 in case of H. T. & H. R. R. Co. is clear from all of which it appears that the survey herewith inclosed in name of H. R. R. Co. survey; Thence S. 64° E. 1100 yds to pt. in N. line of Stone, etc. etc. etc. to base;

Thence S. 64° E. - say to the East; Thence S. - W. - - - - - to point in road; 1488 yds to S.W. corner of Ricketta sur.; Thence East 1878 yds to S.W. corner of Ricketta Thence South, at 82° 1/2° vs base S.W. corner of said Bufilek, an Iron nail in road, in all East 165 yds to Iron pipe in West line of Bufilek at S.W. corner of Hillegeist survey;

as above; Thence North 2800 yds to Iron pipe set in South line of Hillegeist; Thence all 2016 yds to pt. in East line of same; Thence East 214 yds to Iron pipe witnessed wit; Beginning at N.W. cor. of Hamlin; Thence North, at 82° vs base S.W. cor. Hamlin, in given in the patent. When so held said Standard fieldnotes would read as follows, to

of the surveyor, although such marks do not stand in the exact relation to each other gone in the field in constructing it, and the marks safe and corners set on the ground

Thereby I have not the said Standard survey is found by the work actually the surveyor who cleared the fieldnotes as patented.

As the original Standard survey at the south and the north- north fork and marked on the ground, it is clear that no survey as patented, has been correctly made in the field in

South fork of Quorum, and marked on the ground, and the survey as patented, has been correctly made in the field in

the Northern portion of said Standard as patented, was survey; and that when said observations were covered by ex-

It seems from the record that the original Standard survey was made to extend of such error fall to the configuration of the Standard and poles surveys in particu-

his work of Nov. 18-00, as to collation of intervening Quorum survey, and the results such further south also. The error in the locality is clearly traceable to Stan in

than they have heretofore appeared to be, and that those from Ross survey down are Jones' labor are such further East, with reference to the surveys on the South fork Quorum shown on sketch herewith inclosed, from the H. R. R. survey down to the A. from these connections it plainly appears that all surveys on North fork of

FIELD NOTES of a survey of 31.2

acres of land made for R. H. Barrow

by virtue of his affidavit and application made

before S. C. Christian Notary Public Harris Co. on the 7<sup>th</sup> day of July 1906, and filed with the Surveyor of Harris County or Land District, on the 7<sup>th</sup> day of July 1906, under Section 8 of an Act approved April 15, 1905, providing for the sale of the unsurveyed school land appropriated to the Public Free School Fund by an Act approved February 23, 1900. Said land is situated in Harris County, about 2.5 miles N. S. & W. from County site, and known as survey No. 17, in Block No. beginning at the N.E. corner of a survey in the name of W. E. Howth, a stake set on the north bank of a branch ;

Thence West, along the North line of said Howth survey, 618 vrs. to the S.E. corner of section No. 2 in name of H.T. & B.R.R. Co. in open prairie ;

Thence North 2122 vrs. to the N.E. corner of said section on the south line of a survey in the name of A. Hillegeist, in open prairie ;

Thence East with south line of said survey, 829 vrs. to an old Iron pipe 3 ins. in diameter, about 4 ft. high, set for the North-west corner of T. J. Stansbury's survey, from which another pipe of same description, bears East 165 vrs ;

Thence S. 00.09 E. with West line of said Stansbury survey, 2800.5 vrs. to another pipe of same description, set for another corner of said survey, from which a prairie Pin-Oak 14 ins. "X" brs. N. 53° W. 13.8 vrs. another 14 ins. "X" brs N. 69° W. 15 vrs. another 12 ins. "X" brs. S - E. about 20 vrs. ( From this point it is East 206 vrs. and South 164.5 vrs. to S.W. corner of Swenson preemption. )

Thence West 217 vrs. to a corner on the East line of said Howth survey ;

Thence North 178.5 vrs. to

to the place of beginning.

## Application and Obligation to Purchase School Land Without Settlement.

P. O. Houston, Texas, Nov. 11th 1907

To the Commissioner of the General Land Office, Austin, Texas:

By virtue of Section 8 of the Land Act approved April 15, 1905, I hereby apply to purchase the following described land, in Harris County, about \_\_\_\_\_ miles \_\_\_\_\_ (course) from county site, and I agree to pay for the land the price per acre offered below:

Survey No.	Block	S. F. No.	Surveyed for	Acres	Price Per Acre	Classification
<u>17</u>		<u>7615</u>	<u>R. H. Barrow</u>	<u>399</u>	<u>\$45.00</u>	<u>Dry Agricultural</u>

For the purpose of securing said land I have remitted to the State Treasurer, at Austin, Texas, the sum of \$ 39.87 1/2 as the one fortieth cash payment  
Insert whether "one-fortieth" or "full"

therefor, and subscribe to the following oath, to wit:

I, R. H. Barrow, do solemnly swear that I am not acting in collusion with others for the purpose of buying the land for any other person or corporation, and that no other person or corporation is directly or indirectly interested in the purchase thereof.

(Signed) R. H. Barrow Applicant.Postoffice Houston Texas.Sworn to and subscribed before me, this the 11th day of November, 1907

## OBLIGATION.

School Land.

For value received, I, the undersigned, do promise to pay to the State of Texas the sum of fifteen hundred and fifty five 1/2 dollars, with interest thereon as hereinafter specified, the same being for the balance of purchase money for the following described tract of land which I have this day applied to purchase from the State of Texas in accordance with Section Eight of the Land Act approved April 15, 1905, the said land having been appropriated to the Public School Fund by the Land Act approved February 23, 1900, and was surveyed for R. H. Barrow and is survey No. 17, block No. \_\_\_\_\_, S. F. No. 7615, Harris County, Texas.

The annual interest of five per cent upon all unpaid principal, together with one-fortieth of the original principal, I am to pay or cause to be paid to the State Treasurer, at Austin, Travis County, Texas, on or before the 1st day of each November thereafter, until the whole purchase money is paid. And it is expressly understood that I am to comply strictly with all the conditions, limitations and requirements, and am subject to and accept all the penalties contained and prescribed in the above recited Act.

Witness my hand, this 11th day of November, 1907

R. H. Barrow

JOHN J. TERRELL, COMMISSIONER.  
J. T. ROBISON, CHIEF CLERK.

September 27th, 1906.

Mr. R. H. Barrow,  
Houston, Texas.

Dear Sir:---In the matter of your application to the county surveyor of Harris county for the survey of a tract of land under section 8 of the Act of April 15, 1905, together with the field notes made thereunder calling for survey No. ---, 319 acres, beg to say that same have been examined by this department and you are advised that no vacancy can be recognized for this survey as it is on survey No. 2, H.T. & B. Ry. Co. S. 172, and hence no vacancy. Your field notes are filed hereunder S.F. 7615, to which please refer when writing.

Very respectfully,

Hutchins.

Commissioner.

Austin.

JOHN J. TERRELL, COMMISSIONER.  
J. T. ROBISON, CHIEF CLERK.

June 8, 1907.

Mr. R. H. Barrow,

Houston, Texas.

Dear Sir :-

In compliance with your personal request of a few days ago, asking for advice with regard to SF-7615, in your name in Harris county, I have to say that this department will require of the county surveyor corrected field notes for State survey #2, H. T. & B. joining this survey on the West. Said survey #2 should be corrected in accordance with the beginning call as called for in the original field notes for same, that is to say, it should begin at a stake and mound, the S-E corner of survey #1 in the North line of J. W. Moody and 256 vrs West from the N-W corner of W. E. Howeth and N-E corner of J. W. Moody; running thence North to the South boundary line of A. Hirsch for N-E corner of #1 and N-W corner of said #2; thence East, East, South, and West 1574 vrs with Howeth and Moody North boundary line to the place of beginning. This correction should be made according to the boundary lines of the adjacent surveys. When you have had these corrected field notes filed here, we can then take up your SF-7615, and advise you more fully in the premises. Field notes for survey #2, on file here, show to be recorded in Book F, page 266 and Book K, page 262.

Yours truly,

C/ Hutch Guyer

J. T. ROBINSON, CHIEF CLERK

Mr. R. H. Morrow,

Houston, Texas.

Dear Sir:

In compliance with your personal request of a few days ago, looking for advice with regard to the 32-7615, in your name in Harris County, I have to say that this document will verify the correct survey. Corrected field notes for State survey #2, H. T. & B. joining this survey on the West. Said survey #2 should be corrected in accordance with the beginning call as called for in the original field notes for same, that is to say, it should begin at a stake and mound, the S-E corner of survey #1 in the North line of J. W. Moody and 288 yds west from the N-W corner of W. B. Howeth and N-W corner of J. W. Moody; running thence North to the South boundary line of A. Hirsch for N-E corner of #1 and N-W corner of said #2; thence East, South, and West 187 1/2 yds with Howeth and Moody North boundary line to the place of beginning. This correction should be made according to the boundary lines of the adjacent surveys. When you have had these corrected field notes filed here, we can then take up your 32-7615, and advise you more fully in the premises. Will file notes for survey #2, on file here, show to be recorded in Book 7, page 266 and Book 8, page 262.

Yours truly,

Act'g. Commissioner

Nov. 9, 1907.

Austin

JOHN J. TERRELL, Commissioner  
J. T. ROBISON, Chief Clerk

Mr. R. H. Barrow,  
Houston, Texas.

Dear Sir:-

Your application to the county surveyor of Harris, county, for a survey of land under Section 8 of the Act of April 15, 1905, together with the field notes for survey No. 17, block No. 319, acres, has been examined and the field notes approved.

The land is classified as Dry Agricultural and valued at \$5.00 per acre, and is subject to sale to you upon the following terms, to-wit: For cash or for one-fortieth cash with 5% interest on the deferred principal and without condition of settlement and improvement and with the right to pay same out at any time and obtain Patent. If you wish to pay cash for this land, then you should make your application accordingly and send same to this office, and at the same time remit to the State Treasurer, Hon. Sam Sparks, Austin, Texas, the aggregate price of the land as the full cash payment thereon, and send to this office a Patent fee of \$5.00. If you want to buy the land on time, then you should make your application and obligation accordingly and send same to this office and at the same time remit to the Treasurer one-fortieth of the aggregate price of the land as the first cash payment thereon.

Enclosed herewith is a blank for application to purchase this land. To avoid delays, mistakes and correspondence, you are urged to fill every blank space in making out the application to purchase. Under the law you will have SIXTY DAYS from this date within which to file your application to purchase in this office.

In writing about this matter please refer to S. F. No. 7615.

Very respectfully,

Guyer

Commissioner.

JOHN J. TERRELL, Commissioner  
J. T. ROBINSON, Chief Clerk

Mr. R. W. BARTON,  
Houston, Texas.

Dear Sir:

Your application to the county surveyor of  
for a survey of land under Section 2 of the Act of April 12, 1905,  
together with the field notes for survey No. 14,  
Block No. 1,  
acres, has been examined and the field notes approved.  
The land is classified as Dry Agricultural  
and valued at  
per acre, and is subject to sale to you upon the following

\$5.00

terms, to-wit:

You may, at the one-fourth cash with 5% interest  
on the deferred principal and without condition of settlement and  
improvement and with the right to pay cash out at any time and obtain  
patent. If you wish to pay cash for this land, when you should make  
your application accordingly and send same to this office, and at the  
same time remit to the State Treasurer, Hon. Sam Sparks, Austin, Texas,  
the aggregate price of the land as the full cash payment thereon, and  
send to this office a patent fee of \$5.00. If you want to buy the land  
on time, then you should make your application and certification accordingly  
and send same to this office and at the same time remit to the Treasurer  
one-fourth of the aggregate price of the land as the first cash pay-  
ment thereon.

Enclosed herewith is a blank for application to purchase this  
land. To avoid delays, mistakes and correspondence, you are urged to fill  
every blank space in making out the application to purchase. Under the  
law you will have SIXTY DAYS from this date within which to file your  
application to purchase in this office.  
In writing about this matter please refer to S. F. No. 4615.  
Very respectfully,

Commissioner.

RECEIVED

NOV 12 1924

Referred to Chief Clerk

Hon. J. T. Robison,  
Commissioner, General Land Office,  
Austin, T e x a s.

Dear Sir:

In Cause No. 69190, consolidated with Cause No. 78049, styled L. A. Anderson vs. Cypress Farms Company, et al, consolidated with M. R. Corbett, et al, vs. L. A. Anderson, et al, there was, in the 11th Judicial District Court of Harris County, Texas, on, to wit, the 7th day of April, 1924, rendered a judgment against Florence E. Anderson, Executrix and Sole Devisee of the will and estate of L.A. Anderson, Deceased, who, in turn, was the assignee of R.H. Barrow, the said judgment declaring non-existent the R. H. Barrow Survey in Harris County, Texas, and adjudging that the T. J. Stansbury and H. T. & B. Co. Survey No. 2, certificate No. 5/216, adjoined, and that there was no vacancy between them.

Mrs. Anderson, as the assignee of Barrow, has appealed, and this cause is now pending on the docket of the Honorable Court of Civil Appeals for the First Supreme Judicial District of Texas.

Of course the State of Texas is not bound by this judgment. However, we assume that the Land Office does treat the judgment of the Courts in such cases with considerable respect, and that, if this judgment is affirmed on appeal that the Land Office will recognize it as establishing that there is no vacancy such as the one Barrow attempted to purchase from the State.

An interest payment was due the State from Barrow, and his assignee, as we understand it, on the first of this month.

If this is not paid, we assume that, without further information, the Land Office would put this land up for sale again. What we desire to know is whether or not, by filing with you a certified copy of this judgment, or by producing for you other evidence as required by your regulations, we could, in behalf of our client, avoid the necessity of litigating with subsequent grantees of the State, in case Barrow, or his assignees, forfeit.

The sale to Barrow was by virtue of his application of date November 11, 1907, being Survey No. 17, S. F. No. 7615, surveyed for R. H. Barrow, 319 acres, classification "dry agricultural", being located about 25 miles Northwest of the City of Houston, in Harris County, Texas.

Hon. J. T. Robison, #2.

11/10/24.

We would very much appreciate it if you would let us hear from you as to what steps it is proper we should take to protect the interest of our client in the premises.

Thankingyou, we are,

Very truly yours,

*Woods, Ling John*

In re: Section 17, Certificate SF 7615, Grantee: R.H. Barrow,  
Harris County, 319 acres.

Commissioner of General Land Office,  
Austin, Texas.

Dear Sir:

Mrs. Florence Anderson, devisee and executrix  
of the estate of her deceased husband, has turned over to me  
your notice of past due interest on the above.

As your files no doubt reflect the Barrow  
Survey was surveyed and sold upon the theory that it consti-  
tuted a vacancy lying between H.T. & B. No. 2 on the West and  
the J.H. Stansbury Survey on the East. There has been  
protracted litigation over this matter, and the R.H. Barrow  
has by final judgment, been declared not to exist. In two  
trials in the lower court and in an opinion by the Court of  
Civil Appeals at Galveston, it was found that the West line  
of the Stansbury and the East line of Section 2, H.T. & B. were  
a common line.

A certified copy of such final judgment  
has been filed with your office in connection with an ad-  
justment of the acreage in Section 2, H.T. & B.

In view of the fact that the existence of  
this survey has been wiped out by final decree, Mrs. Anderson  
does not, of course, desire to make further payment, and  
wishes to take the necessary steps looking to a refund of  
those payments already made.

Yours truly,

KENNERLY, WILLIAMS, LEE, HILL & SEARS
